Physical Therapy Treatment without Referral Disclosure

Please read carefully and acknowledge below:

I understand that physical therapy treatment without a referral will be based on the physical therapist's examination and evaluation of my current condition which may result in identification of movement and mobility dysfunction.

I understand that the physical therapist will not diagnose an illness or disease, and that physical therapy is not a substitute for a medical diagnosis.

I understand that if a medical diagnosis has already been established by a qualified healthcare practitioner, the physical therapist will take it into consideration during the evaluation process.

I understand that the physical therapy plan of care developed by the physical therapist may not be based on radiological imaging.

I understand that if images have previously been obtained, the physical therapist may use the information as part of the evaluation process.

I understand that if the physical therapist identifies a need for radiological imaging, the physical therapist may recommend that radiological imaging be obtained.

I understand that my health insurance may not cover physical therapy services if provided without a referral from a qualified healthcare practitioner.

I acknowledge that I have received the above disclosure.
